Hi Dr. Mitchell,

You were recommended to me from Dr. Jonathan Wright's clinic. I would be interested in interviewing you on the marriage of holistic medicine and sports performance for our podcast.

The best Doctor that I know in the world ..... is simply brilliant and has cured himself of cancer. The treatments are not what you expect and stuff that they don't teach at Medical school.

If I had cancer I would most definitely see him and I know it would be fixed. His name is Dr Roby Mitchell ..... He is The Man but don't wait to long to action.
